

Dear parents and legal guardians,

As a parents' association, we want to thank you for your support so far! We have already received some membership fees.

In this challenging school year, we have already decided to **decorate the inner school yard**, which will be implemented next year when the warmer days begin. We will also organize **other play opportunities** for the children to spend time in the courtyard.

In addition, we support the acquisition of additional devices to expand **digital work** in the school.

Another important concern of ours is the **class community**, which is unfortunately more difficult to consolidate due to the pandemic. Joint celebrations can strengthen the WE-feeling - that's why we strive to implement celebrations in the class groups.

If you have not yet paid the membership fee, you can do so by **transferring** the amount to our account at BAWAG P.S.K., EV Europaschule, IBAN: AT67 1400 0050 1033 7145. Please indicate the **NAME + CLASS of the CHILD** as the purpose of the transfer.

The **membership fee** is to be paid **once per family and school**, regardless of the number of children. If you pay a membership fee for a parents' association in other schools, the fees in individual schools are reduced (EV = parents' association):

- 1 attended school with EV: 21 € in our school
- 2 attended schools with EV: half (€ 10.50) in our school
- 3 attended schools with EV: one third (7 €, -) in our school

**We wish you a merry Christmas, relaxing holidays and a good start of the new year of 2021!**

Thomas Meitz - on behalf of the entire team of the parents' association
