

Dear parents and guardians,

The parents' association of the school "Europaschule" is a community based on **solidarity**, managed by parents and representing the interests of parents in the school.

We also organize many **projects for children** as well as **school events**.

For this school year, among others, an additional greening **of the inner schoolyard** is planned.

The **membership fee** is to be paid **once per family and school**, regardless of the number of children. If you pay a membership fee for a parents' association in other schools, the fees in individual schools are reduced (EV = parents' association):

Due to the pandemic situation we reduced the membership fee for the actual school year to 15€:

- 1 attended school with EV: 15 € in our school
- 2 attended schools with EV: half (€ 7.50) in our school
- 3 attended schools with EV: one third (5 €, -) in our school

In case of any questions, please contact us via E-Mail!

Please **pay the membership fee in the amount of € 15,-** for the whole school year 2022/2023 with the **indication of the class and the name of the child/children** in the school „Europaschule“:

- in the **labeled envelope you received**  
hand in your kids teacher until November, 16<sup>th</sup>

If the payment is a burden, a symbolic Euro is also welcome! Addition donations are always welcome!

**Thank you very much for your support!**
